

# 經濟與生活 & 美國留學生活

Willy Chen & Erin Eidschun

January 10, 2024

THE UNIVERSITY OF  
CHICAGO

# 講者簡介 About the Speakers

## Erin Eidschun

- ▶ B.A. in Economics, University of Chicago 2019
- ▶ M.A. in Economics, University of Chicago 2020
- ▶ Ph.D. in Economics, Boston University (In Progress)

## Willy Chen 陳威利

- ▶ B.S. in Economics, The Ohio State University 2019
- ▶ B.S. in Mathematics, The Ohio State University 2019
- ▶ M.A. in Economics, University of Chicago 2020
- ▶ Ph.D. in Economics, Michigan State University (In Progress)

# 經濟學到底在學什麼？What is Economics?

# 經濟學到底在學什麼？What is Economics?

Economics is a behavioral science and a philosophy at heart. The goal is to explain popular behaviors using parsimonious models. For example, how do bands determine concert ticket price? Where should 7-11 stores locate? Why do some countries grow faster than others? How does inflation affect investment?
